5:00 p.m. EST on Friday, October 14th, 2022.

Rebates will begin to accrue on April 1st, 2023 for those diabetic supplies chosen as preferred. Diabetic supplies being solicited include, but are not limited to blood glucose/ketone meters, lancets, lancet devices, blood and urine glucose and ketone testing strips, Continuous Glucose Monitors, insulin syringes, pen needles, smart pen devices, tubeless insulin pumps and other products used in the testing and/or administration of diabetic treatments that manufacturers wish to submit offers for consideration on.
